Community Impact Report

"Thanks to the funding from United Way Oxford, I spent the past 10 years with the Navy League & Sea Cadets, where I brought a mental health first aid course to the program, became a better leader, a better friend, and a better support for my community."

– Ronnie, Graduate of the Navy League & Sea Cadet Program

"The connection between staff and youth is not just about running activities; it's about fostering an environment where young people feel heard, understood, and empowered to grow. It's a place they come to connect and build relationships with their peers."

– Craig, Fusion Youth Centre
